WHY WORK AT VALBRIDGE

CULTURE, TECHNOLOGY, CONTINUED GROWTH

Valbridge Property Advisors was formed in 2013 based on a partnership model bringing the best independent commercial appraisal firms across the U.S. together as a company to deliver exceptional service to clients across the country and fill a void in the CRE industry.

OUR CORPORATE CULTURE

At Valbridge, we have a unique, forward-thinking corporate culture unlike any of our competitors. Launched conceptually as a “team”, Valbridge Property Advisors has evolved into a truly collaborative powerhouse. We continuously seek ways to remove barriers to employment. Whether you are a recent college graduate or a seasoned appraiser who has been in the business for 30 years, Valbridge Property Advisors has a place for you.

One of the many ways we seek to foster growth and inclusion at Valbridge is through our Valbridge Women's Council. The Valbridge Women's Council provides a platform for the growth and development of Valbridge Property Advisor's professional women through mentoring and education, national recognition, networking opportunities and other resources that provide opportunities for advancement and self-improvement.

TECHNOLOGY

Valbridge Property Advisors is an evolving valuation technology company and a thought leader in the CRE valuation industry. Valbridge Property Advisors is continuously pursuing innovative products and strategic partnerships to better serve our employees, clients and the entire commercial appraisal industry. Through product development, acquisition and strategic partnerships, Valbridge has developed a robust suite of technology solutions giving our team the tools they need to drive business and provide the best possible service to our clients.

CONTINUED GROWTH

As a testament to our commitment to growth, what began with 19 firms in 2013 has since grown to become the largest independent commercial property valuation and advisory services firm in the U.S., with over 80 office locations, 200+ MAI-designated appraisers, and more than 675 staff across the nation. Valbridge has developed an environment where employees who possess the desire and will, have the opportunity to get involved and be acknowledged for their individual contributions to our team.
